Fly in 4

Fly in 4

- ***It's a Temple thing!*** Class of 2030 is the 13th class to enter under Fly in 4
- ***Do what successful students do! Meet the checkpoints:***
 - ✓ Consult with an academic advisor **every** semester
 - ✓ Register for the next semester during the priority registration period
 - ✓ Advance in class standing each year (earn 30 credits each year)
 - ✓ Complete a graduation review by the end of year 3 and be on track to graduate
- On average, **92%** of students who meet all checkpoints ***graduate in 4 years or less***
- ***No need to sign-up:*** You'll receive a welcome email and a dedicated dashboard in TUportal to track your progress

Fly in 4 FAQs

Can I double major, change majors, or study abroad under Fly in 4?

All these things may be possible with careful planning. Fly in 4 ensures consistent check-ins with advisors so you know exactly what you need to do to stay on track, even as opportunities and setbacks emerge.

What if I am interested in +1 or other accelerated programs?

By design, students in these programs earn a bachelor's degree after the first 4 years, and thus are still eligible for Fly in 4. In fact, the "consult with an advisor" checkpoint is a great opportunity to discuss your interest in applying to an accelerated program and plan your schedule accordingly.

What if I think or know I will take longer than 4 years to graduate?

Fly in 4 provides you with tools and checkpoints that help you stay on track for *your* academic plan, including advising, class offerings when you need them, and a dedicated dashboard to track your progress. Even if you may need more than four years to graduate, we encourage you to take advantage of these tools to help you graduate as soon and efficiently as possible.

Partnering in Your Student's Success

- Encourage your students to try new things and meet new people.
- Figure out how and how often you'll communicate.
- Talk to them about coursework in more than “yes or no” questions.
- Talk about healthy behaviors and relationships.
- Use the tools and resources available.
- Help them understand that no matter what they experience, they will not be alone.

Guidance on Approaching the Rest of the Day

1. Continue to introduce yourselves to those around you
2. Take note of what you can do to support your student but don't do the work for them.

Understanding FERPA + Proxy Access

- The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records.
- FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level.
- We must have permission from students to talk with you about records should you happen to call an office.
- Students can add Proxy Access by adding your information in the Self-Service Banner tab of TUportal.

Living on Campus at Temple!

Each student living in our halls has the right to live in a space where they feel safe and secure. A place where they can be respected and grow as an individual. Our [Student Conduct Code](#) and [Community Living Standards](#) help ensure students' rights are being upheld. All students are held accountable to these and should be familiar with all Temple policies.

Things to Remember When Your Student Calls Home:

1. Do they need to vent or do they need solutions?
2. Discomfort ≠ unsafety
3. Refer to our staff early and often!
4. Contact us yourselves! We want to hear from you!
 - **BUT** - we **WILL** interact with your student in full transparency - **NO** “Don’t tell my student I called and told you this!”
5. Empathize with their struggles and remind them of how strong and capable they are.

Curating Community Experiences

Temple Culinary Services: Meal Plan Overview

What is a meal plan?

A meal plan unlocks delicious meals, coffee, snacks, and more at Temple Culinary Services locations across main campus. Each meal plan includes *meal swipes* that are conveniently preloaded onto one's *OWLcard* or mobile wallet.

- **Weekly meal plans** provide a weekly allowance of meal swipes, resetting each Sunday at 12:01 a.m.
- **Block meal plans** provide a bundle of meal swipes, which expire at the end of the semester

Who is required to purchase a meal plan?

New students (first-year and transfer) with housing contracts on main campus are required to purchase a weekly meal plan with a minimum of **12 meals per week**. If no meal plan is chosen, the *Weekly 12* will be assigned by default for *both* the fall and spring semesters.

What are Guest Meals?

Guest meals are included in our *Unlimited*, *Weekly 15*, *Weekly 12*, and *Weekly 10* meal plans and can be used to treat friends and family **exclusively at Esposito Dining Center in Johnson and Hardwick Halls**. You can use as many guest meal swipes as you'd like until the limit included in your meal plan is met.

Temple Culinary Services: Meal Plan Overview

What is a meal swipe?

Meal swipes are meals included in your meal plan, which can be used two ways:

- to enjoy **all-you-care-to-eat dining** at Esposito Dining Center in Johnson and Hardwick Halls
- as **meal equivalency**, a credit toward the purchase of à la carte food items at select retail locations (*excluding coffee and convenience outlets*)

How much is a meal swipe worth when used as meal equivalency?

When used as meal equivalency, the value of a meal *varies by meal period*:

- **During breakfast** (*from open until 10:59 a.m.*): \$7.75
- **During lunch** (*11:00 a.m. to 3:59 p.m.*), **dinner** (*4:00 p.m. to 7:59 p.m.*), and **4th meal** (*8:00 p.m. to close*): \$10.70

A second meal swipe, cash, or credit can be used to cover any remaining balance.

How often can I use a meal swipe?

You can use a **single meal swipe** in our **all-you-care-to-eat dining location** and **up to 2 meal swipes per transaction in retail settings** (*excluding coffee and convenience outlets*) with a **maximum meal swipe allowance of 4 meals per meal period** – until the limit included in your meal plan is met.

Temple Culinary Services: Meal Plan Overview

Meal Periods	Max Meal Swipes	Examples of Common Meal Swipe Usage	Max Swipes per Meal Period

Can I use a guest meal on myself if I run out of meal swipes during a meal period? **Yes**

Temple Culinary Services: Meal Plan Overview

When does my weekly meal swipe balance reset? How can I check my balance?

Your weekly meal swipe balance resets **each Sunday at 12:01 a.m.** You can verify your balance on the *TUportal*, *TUmobile* app, or *Transact eAccounts* app

Can I change my meal plan?

You have until the **meal plan changes deadline** each semester to modify your meal plan selection. To do so, visit *MyHousing* within the *TUportal*.

- **September 8, 2026** (*Fall*)
- **January 25, 2027** (*Spring*)

Am I allowed to treat friends or family to a meal using my meal plan?

If your meal plan includes **guest meals**, you can use them to treat others to a meal *exclusively at Esposito Dining Center in Johnson and Hardwick Halls*. Otherwise, you're welcome to treat friends and family to a meal using **cash** or **credit** at any of our campus dining locations.

Temple Culinary Services: Meal Plan Overview

Does my meal plan selection carry over from fall to spring?

- **Students required to purchase a meal plan** will make both their fall and spring meal plan selections in summer, prior to the fall/spring meal plan selection deadline. They are then able to make changes to their selection prior to the meal plan changes deadline each semester.
- **Students not required to purchase a meal plan** are able to sign up for a meal plan at any time. We encourage students to make their selection as early as possible. Only the cost of weekly meal plans can be prorated when purchased after the start of the semester.

How do I cancel my meal plan?

Students may apply for a release from the Dining Services Agreement with supporting documentation stating the reason for their release request. Releases are only considered for medical and/or religious reasons. Requests are reviewed and decided by the University on a case-by-case basis. If a student's request for release is denied, they will remain responsible for all fees associated with their meal plan, whether used or not.

- **To apply for a release**, log into *MyHousing* via the *TUportal*.
- **For questions about meal plan cancellations**, please contact University Housing and Residential Life during normal business hours, from Monday through Friday from 8:30 a.m. to 5:00 p.m. The team can also be reached via phone at (215) 204-7184 (*Option #2*) or via email at housing@temple.edu.
